

CSUF Faculty/Staff EV Permit Application

First Name: _____ Last Name: _____

CWID: _____ Office Location: _____

My faculty/staff parking permit is: Semester Payroll Deduction

I would like to: I Renew my EV permit for a vehicle Parking & Transportation has on file. Email a copy of this form to cservices@fullerton.edu and have my EV permit mailed to my faculty/staff office on campus via campus mail.

Apply for an EV permit for the first time or with a new vehicle. Email a copy of my EV registration and this completed form to cservices@fullerton.edu and have my EV permit mailed to my faculty/staff office on campus via campus mail.

Policies & Procedures:

- Supplemental EV permits are issued at no cost to CSUF semester or payroll deduction permit holders.
- EV permits must be displayed with a current valid CSUF semester or payroll deduction parking permit.
- The rate to charge an EV on the CSUF campus is \$0.40 per kilowatt hour. However, CSUF Students, Faculty and Staff with BOTH a current valid semester or payroll deduction parking permit AND a current valid supplemental EV permit may enter the connection code TITANEV1 into their ChargePoint account to request to charge their EV at the 100% subsidized rate of \$0.00 per kWh. Connection requests are approved Mon – Fri between 8 am – 5 pm.
- Please comply with all posted signage regarding time-limits and display current valid permits in order to avoid a citation.
