Policies

Permit Placement
Please ensure permits are displayed at all times with the date and time clearly visible.

Replacement Policy
Permits not received in the mail must be reported to Parking & Transportation within one week of the expiration of the temporary permit in order to receive a replacement.

If a vehicle is issued a violation for displaying a lost permit, and the permit is recovered from the vehicle during the dates/period it is valid, the individual who lost the permit will be refunded the cost of the replacement permit purchased or administrative fee paid.

Daily Exemptions
Students who forget a permit may request an exemption for the day. Call Parking & Transportation Services at (657) 278-3082 and provide a CWID, permit number, make, model, and color of the vehicle, license plate number, and the vehicle location.

After the information is verified, the vehicle will be placed on the daily “exemption list”. Please note, only two requests will be honored each month.

Reporting a Lost or Stolen Permit
- File a report at the Parking & Transportation Services Office (T-1400).
- A replacement permit will be issued at the prorated rate during that time.
- Parking permits that are declared lost or stolen are not valid.
- Vehicles displaying a lost or stolen permit will be issued a parking ticket for displaying an invalid parking permit with a fine of $350.
- If the permit is recovered by Parking & Transportation Enforcement Staff, the fees may be refunded.
